

Dear Valued Customers,

We regret to inform you that due to issues with the North Davis Meadows well, we are unable to offer fountain sodas or ice for consumption, and our free water cooler is temporarily unavailable. However, we have taken steps to ensure that you can still enjoy refreshing beverages. We have switched to canned soda and bottled water is still available for purchase. We apologize for any inconvenience caused and appreciate your patience as we work towards a solution.

Please note that as warmer weather approaches, it is important to stay hydrated. We encourage you to bring enough water for yourself or be prepared to purchase water here. We value your business and understanding during this process.

Thank you for choosing Davis Golf Course
